Reason For Request:

Conditions of Acceptance:

- Attendance applications are accepted at the requested school beginning at 8:00 a.m. one week prior to registration and must be renewed annually. Renewal of an attendance request must be received between May 1st and the last day of school for the next school year. Failure to return an application by the last day of school will result in the withdrawal of the attendance request and the procedures for a new request will be followed. The students may receive permission to attend a school within the school district if classes are not crowded at the receiving school according to the capacity limit established for the school and/or its grade levels. Transportation for the student is the responsibility of the parent or legal guardian. Parents shall provide transportation to and from the school. Students must be on time every day. Students are not to be picked up early or stay late unless special arrangements have been made. The student must maintain good citizenship and steady academic growth to stay in attendance at the requested school. Attendance in the requested school may be discontinued if citizenship, academics and/or attendance do not meet district standards and guidelines. Providing false information on this form will result in the application being denied or the admission being revoked. A discipline report and last report card/transcript must accompany this form.

I have read and I agree to the conditions of acceptance established for this attendance exception application as explained above. I accept my responsibility to contact school staff at the appropriate time during the approval process and I certify that the information I have provided on this form is true and correct. If my application for attendance exception is approved, I understand that it may be discontinued immediately if my child does not maintain acceptable citizenship and/or if absences or tardies become excessive.
